It is the understanding of the members that the reason why the Employer had to pay our Local 1614 Union's part of the lawsuit is because money was allegedly embezzled by the former (b) (6), (b) (7)(C) of our Union. It is unclear whether Local 1614 and/or its (b) (6), (b) (7)(C) is comprised by the alleged financial payment? It is also unclear as to why we (union members) have to pay the Employer back when the money for the alleged settlement should have been paid out of an insurance fund or out of the Parent Headquarters of the Amalgamated Transit Union?

It is due to the omissions of this "Company Union" that investigations and hearings are being comprised as well as conducted that certainly affect the terms and conditions of my employment, including the Adjustment of Grievances all in favor of the Employer, which is an unfair labor practice.

Being that this "Company Union's" allege embezzlement, the aforementioned prohibited lawsuit deal payment, commissions and *omissions* by way of illegal unfair practices were all based upon **Fraudulent representations**, which were all unknown to me during my past suspensions the time limit regarding filing should be relaxed.
